

Diagnostics for Life

Avioq will be exhibiting at the upcoming AACC annual meeting July 30 – August 3 in San Diego, CA.

Avioq will be introducing a new line of CE Mark chemiluminescent immunoassays and associated equipment.

We will also feature our FDA approved HIV and HTLV assays, CE Mark products, including qFLU, rapid diagnosis of Flu A/B, drug resistance testing, and EZ-Collect oral fluid collection device.

Stop by and learn more about the latest developments in the areas of Mass Spec and other POCT diagnostics including antibiotic resistance tests based on an innovative technology.

Come visit us at booth 1531.
